

Ways to Glorify God

**Ideally, we should wake up every day with just one question on our mind:
How am I going to use today to glorify God? Here are some suggestions:**

- † Submit ourselves to God and His will, acknowledging that He is sovereign over all things and is always in charge.
- † Be in His Word by reading the Bible every day.
- † Be in daily prayer, humbling ourselves before God.
- † Keep His commandments, and those of His Son, Jesus Christ.
- † Repent: Renounce sin / Bury our self-righteousness and adopt Christ's righteousness in its place.
- † Believe in His Son, Jesus Christ. Believe that: (1) Christ was God in the flesh, (2) Christ died on the cross on our behalf, and His sinless blood sacrifice on the cross will pay the penalty for our sins forever, and (3) Christ was resurrected on the third day demonstrating that eternal life is available for those who believe in Him. Because of these things, we trust Christ with our lives, as our sole Lord and Savior.
- † Be of service to others, seeking no notice, reciprocity, or reward.
- † Manage properly the resources God has placed in our care.
- † Always be an example of Christ.
- † Make disciples and seek to disciple others.
- † Believe in and share the Gospel.
- † Witness our salvation to others.
- † Be sin-free and always seek God's forgiveness when we fail.
- † Be led by the Holy Spirit and never quench it.
- † Forgive all who commit sins against us.
- † Be a cheerful giver.
- † Spread joy.
- † Preserve unity in the fellowship of Christ.
- † Rejoice always; and in everything, give thanks, accepting with grace what God has put in our paths.
- † Worry not because you trust God in all things and be content with all He provides.
- † Help the weak and the poor, being patient with all.
- † Live in peace and love one another.
- † Be the one God wants you to be.
